Dimension: 50 cm X 1.4m X 50cm

[\\$1350/month](#)

50 units
Parking

Standard

[\\$1350/month](#)

[Submit](#)

Steps:

- 1) Once a company user logs in, they can click on “Add New Building” on the navigation bar at the top of the page.
- 2) The company user will be redirected to *Add New Building Form* where they will fill out all mandatory fields.
- 3) Upon clicking “Add Condo”, “Add Parking” or “Add Locker”, a pop-up form will appear where they will, once again, fill out all mandatory fields.
- 4) Upon clicking “Submit”, a new building will be created and will be visible to the company user who created it from the “My Properties” page. The building will also be visible to all users from the landing page.

User Story 13: As a condo owner, I would like to have a good view (dashboard) of my properties to quickly access my portfolio units.

Update

Steps for Public User:

- 1) Once a public user logs in, they can click on the “View” button of a property card from the landing page.
- 2) The user will be redirected to the building information page which contains 4 tabs: building overview, condos, lockers, and parking.
- 3) The user will be able to navigate between the tabs and see the information displayed on each.
- 4) The user can click on an individual condo card in the “Condos” tab which will redirect them to the individual condo page for more detailed information on that unit.

Steps for Condo Owner/Renter:

- 1) Once a public user logs in, they can click on the “View” button of a property card from the landing page.
- 2) The user will be redirected to the building information page which contains 4 tabs: building overview, condos, lockers, and parking.
- 3) The user will be able to navigate between the tabs and see the information displayed on each.
- 4) The user can click on an individual condo card in the “Condos” tab which will redirect them to the individual condo page for more detailed information on that unit.
- 5) If the user owns or rents a condo in that building, they can request to rent a locker or parking spot in that building by navigating to the locker tab and the parking tab in the building information page, respectively.

Steps for Company User:

- 1) Once a company user logs in, they can click on the “View” button of a property card from the landing page or the “My Properties” page.
- 2) The user will be redirected to the building information page which contains 4 tabs: building overview, condos, lockers, and parking.
- 3) The user will be able to navigate between the tabs and see the information displayed on each.
- 4) The user can click on an individual condo card in the “Condos” tab which will redirect them to the individual condo page for more detailed information on that unit.
- 5) In the individual condo page, a company user will be able to click “Edit” where they can modify the information displayed.

Decagon © 2024 About Us Careers Legal YouTube Instagram Facebook Twitter

Steps:

1. Following the login process, as a condo management company, the list of employees along with their credentials will be visible.
2. In the employee list, find the row corresponding to the employee whose role you want to edit.
3. Click on the “Edit” button located at the end of the row for the preferred employee to initiate the role editing process.
4. Following that action, a dropdown menu will be available under the “Role” column, select the preferred role, and click the “Save” button to save the changes.
5. The system should update the role of the selected employee accordingly.

User Story 20: As a user, I would like to register my account with units, lockers and parking that I rent or own so that my account can be properly associated.

Registration Key

Enter Key

Steps:

1. Users log in to their existing account or create a new account.
2. Users obtain a registration key from their condo management company.
3. From the Condo, Lockers and Parking Tab users can request for rent or ownership.
4. Users will be directed to enter the registration key to link their account with specific condo units, lockers, and parking spots.

User Story 16: As a user, I would like to view notifications personalized to me on my account for quick updates.

Notifications

Message	Date	Sender		
Hello!	\$20 000	\$10 000	Unread	
Request approved!	\$20 000	\$10 000	Unread	
Request Denied!	\$20 000	\$10 000	Read	
Request Approved!	\$20 000	\$10 000	Read	

Steps:

- 1) Once a user (any type of user) logs in, they can click on the notifications icon in the navigation bar.
- 2) Subsequently, the user will be redirected to the notifications page where they can see all their notifications.

User Story 18: As a condo owner or renter, I would like to book rooms available in the different complex buildings I own or rent to easily access the building facilities.

Reservations (as seen by condo owner or renter):

The screenshot shows the Decagon software interface with the following details:

Header: Decagon, Home, Finances, Add New Property, My Properties, Profile

Navigation: Overview, Condos, Lockers, Parking, Reservations (selected)

Section: Book Facility Time!

Calendar: April 2019 (Su Mo Tu We Th Fr Sa). The date 8th is selected. Other dates from 31st to 27th are visible. Buttons for < April > and 2019 are present. A "Save" button is at the bottom right of the calendar.

Facilities: Spa, Restaurant, Sky Lounge (each represented by a grey circle icon).

Booking Times: 11:00 am, 1:00 pm, 3:00 pm, 4:00 pm

Section: Bookings

Booking Card 1 (Spa): Date: March 20, 2024, Time: 10:00 am, Delete icon.

Booking Card 2 (Sky Lounge): Date: March 21, 2024, Time: 10:00 am, Delete icon.

Reservations (as seen by company):

The screenshot shows a software interface for managing property reservations. At the top, there's a navigation bar with links for Home, Finances, Add New Property, My Properties, and Profile. Below the navigation bar, there are tabs for Overview, Condos, Lockers, Parking, and Reservations, with the Reservations tab currently selected. The main area is titled "Schedule" and displays a weekly calendar grid from Sunday to Saturday. The days of the week are labeled at the top of each column, and dates are listed along the left side. Each cell in the grid represents a time slot, color-coded to indicate different activities or status. Some examples of activities shown include "D Dance", "Breakfast", "HR", "Software", "Website", "Call", "Meeting", "Take the", "...", "D Dentist", "D Dance", "D HR", "Car", "Attending HR", "Business", "Banking", and "Breakfast". The calendar spans from week 31 to week 28 of the following month.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
31	01	02	03 D Dance	04 Breakfast	05 HR	06
				Software		
				...		
07 Website	08 D Dance	09 D HR	10 Bowling	11 Call	12 Meeting	13
				Take the	D HR	
				...		
14	15 D Dance	16 D HR	17 D	18 D HR	19	20
				D Dance		
21	22 D Dance	23 D HR	24 Car	25 Breakfast	26 Business	27 Website
				Attending HR	Banking	Breakfast
			
28 D Dentist	29 D Dance	30 D HR	01 D	02 D HR	03	04

NOTE: A public user who does not own or rent a condo in a given building will not be able to book time at a facility in said building.

Steps for Condo Owner/Renter:

- 1) Once a public user logs in, they can click on the “View” button of a property card from the landing page.
- 2) The user will be redirected to the building information page.
- 3) The user will be able to navigate between the tabs and see the information displayed on each.
- 4) If the user owns or rents a condo in that building, they can book time at a facility and view all previously made bookings under the “Reservation” tab.

Steps for Company:

- 1) Once a company user logs in, they can click on the “View” button of a property card from the landing page.
- 2) The user will be redirected to the building information page.
- 3) The user will be able to navigate between the tabs and see the information displayed on each.
- 4) A company user will be able to see an overview of all bookings made in a calendar-like interface under the “Reservation” tab.

User Story 19: As a condo manager, I would like to view a simplified financial system to easily generate important information.

The screenshot shows a web application interface for adding a new building operation. At the top, there is a navigation bar with the Decagon logo and links for Home, Finances, Add New Property, My Properties, and Profile. The main title "Add New Building Operation" is centered above the form fields. The form consists of several input fields: "Operation Name" (Princess Complex), "Description" (Quebec), "Cost" (2750 Blvd Notre Dame), and a "Building" dropdown menu. The "Building" dropdown is currently set to "Select a Building" and has two options listed below it: "Building A" and "Building B". A large blue "Submit" button is located at the bottom left of the form area.
